Annual Reports
of the Town of
Bradford
New Hampshire

for the period ending December 31, 1976

“Two Hundred plus . . . Bradford, New Hampshire in retrospect” . . . a lavishly illustrated folio size chronicle of Bradford’s history from 1771 through the present, was published during 1976 in time for Bradford’s 189th anniversary of its incorporation and was the high point of the Town’s Bicentennial Year. Copies are available through the Town Clerk’s Office.

TOWN WARRANT

The State of New Hampshire

THE POLLS WILL BE OPEN FROM 12:00 NOON TO 7:00 P.M.

To the inhabitants of the Town of Bradford in the County of Merrimack in said State qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Bradford on Tuesday, the eighth day of March, next at twelve o'clock noon, to act on the following subjects:

1. To choose all necessary Town Officers for the year ensuing, and the question of accepting a Land Use Plan.

2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. To adjourn the meeting until Wednesday, March ninth at 7:00 o'clock in the evening; the raising of money and other articles in the warrant to be taken up at adjourned meeting.

3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

4. To see if the Town will vote to approve unused funds of the Conservation Commission being held over by that Commission from year to year, as provided in RSA 36:5. (Submitted by Petition)

5. To see if the Town will vote to accept the new road, leading to the Ring Hill Development, said road if accepted, to meet the requirements of the Bradford Land Subdivision Regulations for the Town of Bradford, as adopted February 1, 1971.

6. To see if the Town will vote to place any moneys received from the sale of the Town History book, which is in excess of the amount appropriated for preparing said book, in a Trust Fund, from which interest may be drawn for historical purposes, and the capital amount used only by a vote of the Town.

7. To see if the Town will vote to accept the sum of \$13,566.90 from the State Highway Subsidy Fund, for work on Town Roads.

8. To see if the Town will vote to accept a State subsidy of \$6,091.26 for the maintenance of Class V highways in Town. (Duncan Fund)

9. To see if the Town will vote to raise and appropriate the sum of \$1,070.88 for Town Road Aid (TRA), and to accept the sum of \$7,139.18 from the State in matching funds. (Recommended by the Budget Committee)

10. To see if the Town will vote to accept any moneys received for the establishment of Trust Funds received during the year since the last annual Town meeting. (Listed in Detailed Statements of Payments in the Town Report)

11. To see if the Town will vote to accept a gift of 5,000.00 from Mr. A. E. Cofrin to the Bradford History Committee, said fund to be used towards the publishing of the Town History.

12. To see if the Town will vote to accept from Mr. John A. Kelley, one and one eighth (1.125) acres of land adjacent to Bicentennial Walk to be used by the Bradford Conservation Committee as a park and recreational land. A dedication to be made by Mr. Kelley in memory of the late Mr. Richard Whitman. The aforementioned to be accepted

upon issuance of a deed. (Submitted by petition)

13. To see if the Town will vote to approve the abatement of the value of a solar heated home, business and or manufacture, insofar as related to the solar system installed and operating.

14. To see if the Town will vote to approve the abatement of the value of windmills, dams and or other devices used, built or erected as generating sources of energy.

15. To see if the Town will vote to authorize the Selectmen to apply for, contract for, and accept aid for Federal Disaster in the event needed.

16. To see if the Town will raise and appropriate the sum of \$5,975.00 for the purpose of re-fitting two of the Army Surplus trucks for service with the Highway Department; \$4,000.00 to be used to winterize and attach plow and wing to one of them; and \$1,975.00 to fit one with a dump body, To be raised by serial notes payable in two years. (Recommended by the Budget Committee)

17. To see if the Town will raise and appropriate a sum not to exceed \$15,000.00 for the purchase of a new Highway Department conventional truck with dump body of 5-7 yards. \$10,000.00 to be used from Capital Reserve and the remaining sum of \$5,000.00 to be raised by serial notes payable in two years. (Recommended by the Budget Committee)

18. To see if the Town will vote to raise and appropriate one of the following two sums of money for a new Solid Waste Disposal system: (If proposition "A" is approved there will be no vote on "B")

A. The sum of \$89,100.00 for Incineration Plant/Recycling Facility and reclamation of the present dump site; \$12,000.00 of Revenue Sharing Funds to be used this year and the remainder in the amount of \$77,100.00 to be raised by serial notes payable in five years. (Recommended by the Budget Committee)

— OR —

B. The sum of \$87,100.00 for a Mini-Transfer Station on a five year contract; \$12,000.00 from Revenue Sharing Funds and \$7,000.00 to be raised by taxation this year for construction and reclamation of the present dump site. The annual charge of \$13,620.00 to be raised by taxation annually for contracted services. (Submitted without recommendation of the Budget Committee)

19. To see if the Town will vote to raise and appropriate the sum of \$436.00 for a "Blue Phone Network" for Police assistance. (By petition and recommended by the Budget Committee)

20. To see if the Town will vote to raise and appropriate the sum of \$50.00 for the American Red Cross. (Not recommended by Budget Committee)

21. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be placed in the Capital Reserve Fund for the purpose of purchasing equipment; the purchase of said equipment subject to a vote of the Town. (Recommended by the Budget Committee)

22. To see if the Town will vote to raise and appropriate the sum of \$1,244.39 for the continuation of services to the Town through the Kearsarge Valley Area Center of the COMMUNITY ACTION PROGRAM, Belknap-Merrimack Counties, Inc. (Recommended by the Budget Committee)

23. To see if the Town will vote to raise and appropriate the sum of \$3,500.00 to replace sills, floor and floor drain in the Firehouse. (Recommended by the Budget Committee)

24. To see if the Town will vote to raise and appropriate the sum of \$21,300.00 for a complete revaluation of the lands and buildings within the boundaries of the Town; said appraisal and the appraisers subject to the approval of the State Board of Taxation. (Submitted without recommendation of the Budget Committee)

25. To see if the Town will vote to raise and appropriate the sum of \$4,700.00 for a new Police Cruiser. The Old Cruiser to be kept as a backup unit. (Recommended by the Budget Committee)

26. To see if the Town will vote to raise and appropriate the sum of \$500.00 for Civil Defense. (Submitted without recommendation of the Budget Committee)

27. To see if the Town will purchase, on a pro-shared basis, medical group insurance for the full-time employees of the Town. The full cost of the group insurance is \$2,452.44 for one year. The Town to pay \$1,839.33 (75 percent) and the insured group to pay \$613.11 (25 percent). (Recommended by the Budget Committee)

28. To see if the Town will approve of reserving Lot Number 3-C, known as the Flagpole Lot, Sunny Plains Cemetery, for the exclusive use of the Town's wartime veterans whose estates and/or families are financially unable to purchase or own a family lot.

29. To see if the Town will vote to accept the reports of the Town Officers.

30. To transact any other business that may legally come before the meeting.

SELECTMEN'S COMMENTARY — 1976

Once again the Town of Bradford has been able to hold the line on inflation, so-called, despite the spiraling costs of goods and services required to keep the Town operating. The savings were not great — but, nevertheless there.

The Board of Selectmen wish to extend their thanks to all of you who have served on the many boards, committees, commissions and meetings that helped so much to keep Bradford functioning as a good place to live in and raise children.

The big expenditure this coming year will be a drastic change from open dump burning to an alternative means that must meet the rigid requirements of the state pollution control agency as well as the Federal environmental regulations. Your dump study committee has worked long and hard to come up with an acceptable solution to this problem. Moneywise, any alternative to open burning will be very expensive, particularly in light of the \$2,500 budget that we operated on in the past . . . study the Articles in the Warrant relating to this matter . . . question them wisely and debate the merits of each proposal, in order to settle on a manner of trash disposal that will be the most economical, aesthetic and best serve the Town on a long-range basis. (It appears that towns with a population of 1,000 or less may apply for an extension to open burning beyond July 1, 1977 — Bradford has made such an application . . . as a safety factor . . . however, the Town's plans are to meet the July 1, 1977 deadline. The Dump Study Committee, consisting mainly of Town agency heads, deserve a sound round of applause for the time and dedication that they put into this project. Our deep appreciation goes to Fred Bodholt, chairman, Planning Board; Jay George, chairman, Conservation Commission; Bob Moore, chief, Fire Dept.; Tom Iverson, chief, Police Dept.; Dave Pickman, chairman, Budget Committee and chairman, Highway Safety Commission; Gary Perkins, road agent; Steve White, member-at-large; Chris Frey, member, Budget Committee; Doug Sweet, civil engineer and member, Conservation Committee, and one selectman, ex-officio.

The Town Warrant is again this year carrying an Article requesting the Town to raise and appropriate money for a complete professional revaluation of land and buildings within the boundaries of the Town. You will recall that last year it would have cost the Town \$19,900 for this service — the same low bidding firm, as last year, will contract this year at \$21,300, the increase based on growth pattern. Prolonging the revaluation of Bradford's real estate to 100% is closing our eyes to reality. Sooner or later we are going to have to take this route. The sooner we do it the better off we'll be, financially. It is common knowledge that Bradford properties are now assessed inequitably, and the situation only worsens each year. A cursory look about town will show that we are growing — the 1970 census came up with 837 population, whereas a recent nose count reveals that we now have slightly under 1,000 warm bodies in Bradford. The increase in new buildings, expansion and alteration has been steadily increasing over the past years, which means that we have and will gain more and more properties with increases in population — and with more new properties

ridiculously underassessed. The only reasonable way out of this predicament is a revaluation to 100% so that everyone pays his/her share of property taxes based on a fair market value of whatever property he/she owns in Bradford.

Dr. James V. Bibbo Jr., selectman and state legislator, is our health officer — has been since January of 1976 — and busier than a cat on a hot tin roof. It may be well to know that in cases of new septic system installation, or repairs to an existing system, or existing or threatening pollution, that Dr. Bibbo could be of great help when called upon.

Raymond E. Jaycox resigned his position as selectman Dec. 4, 1976, for personal reasons. Ray, who had served two previous terms in office, will be missed for his good judgement and willingness to work hard at the many tasks that he undertook while serving Bradford. The remaining members of the Board appointed Bernard (Barney) M. Woods to finish Ray's year until March 1977. Barney comes to the office particularly well qualified with over 15 years previous selectman experience.

Through Ray Jaycox's perseverance and hard work the Town now possesses three (3) government surplus 2½-ton trucks, low in mileage and in amazingly good condition — that cost the Town just a little over \$500 for all three, which was the cost of acquisition and getting them up here from New Jersey. It is planned for the Highway Dept. to use two of them — to be fitted with plow frames and sanders — and for the Fire Dept. to use one, fitted for a water tank. Not quitting there Ray was able to make arrangements for the Town to acquire a surplus 30 KW generator that will be used for emergency lighting and community development. The original cost of the generator was \$13,500 — the Town is getting it for cost of transportation from Rome, N.Y. — Bob Moore making arrangements for the move from there to here.

It is with the utmost of regret that the selectmen and the Town must accept Mildred Gunscheon's resignation as secretary to the Board of Selectmen. After more years than we can remember Mildred decided that she had fulfilled her duty to her Town and expressed her desire to retire on or about the New Year — but, she was prevailed upon to stay until Town Meeting. Unfortunately Mildred's health deteriorated so fast at that point that she was hospitalized and is presently in convalescence at home . . . the office hasn't been the same since. The work, time, dedication and perseverance that Mildred Gunscheon put in her work for the Town of Bradford, in the selectmen's office, innumerable hours without compensation, will never be forgotten by the Town, nor the present and past Boards of Selectmen. When Mildred leaves the Town's employ on Town Meeting Day 1977, she leaves with the complete satisfaction of having rendered a service to her Town that very few persons could have paralleled — particularly in her roles of administrating the ever-growing workload in the selectmen's office and heading the History Committee to its splendid culmination of producing an outstanding history of the Town for the Bicentennial year of 1976.

Finding a replacement for Mildred Gunscheon was not an easy task — a score of individuals were contacted to take on this task with the results that the selectmen finally narrowed the search down to Isabel Sheehan of the Fairgrounds Road. Isabel comes to the office well

qualified for the job, having been employed in the Boston area many years in the clerical, secretarial and accounting fields. The Board of Selectmen are confident that it made a wise choice for the Town, and that Isabel will fulfill all its expectations.

Again, this year, we selectmen reiterate our policy of an "open door" administration — anyone with doubts about where or how the tax dollars are being spent can come into the office and question the outlay and/or expenditures at any time that the selectmen are in session — normally the selectmen meet every Friday evening, starting at 7 p.m. . . . or call to make a specific appointment.

REPORT OF TOWN AUDIT
Town of Bradford, N. H.
Fiscal Year Ending December 31, 1976 [June 30, 1977]

REVENUE SHARING FUND
Statement of Revenue, Expenditures, Encumbrances and Fund Balance

Available Funds, January 1, 1976 (July 1, 1976)	\$26,121.64
Add Revenue:	
Entitlement Payments	\$11,109.00
Interest	948.45
	12,057.45
Total Available Funds	\$38,179.09
Available Cash — December 31, 1976 (June 30, 1977)	\$12,179.09
Available Unobligated Funds — December 31, 1976 (June 30, 1977)	\$12,179.09

We have examined the accounts and records of the Revenue Sharing Fund of the Town of Bradford, N.H., for the fiscal year ended December 31, 1976 (June 30, 1977).

In our opinion, the above Statement of Revenue, Appropriations, Encumbrances, and Available Unobligated Funds presents fairly the revenue, expenditures and encumbrances incurred, and status of Revenue Sharing Funds of the Town of Bradford, N.H., for one year ended December 31, 1976 (June 30, 1977).

Signed,
CARROLL BUTMAN
HAZEL D. FISK
Auditors
Town of Bradford, N.H.

Dated January 25, 1977

REPORT OF TOWN AUDITORS

For the year ending December 31, 1976

We, the Auditors of the Town of Bradford have examined the books of the Selectmen, Tax Collector, Treasurer, Town Clerk, Library Trustees and Trustees of the Trust Funds for the year ending December 31, 1976. Compared the figures and found the same correct.

HAZEL D. FISK
CARROLL BUTMAN
Auditors

BROWN MEMORIAL LIBRARY REPORT

. . . . "Of the reading of books, there is no end;" for that fact, each of us can be grateful. The Brown Memorial Library, under the leadership of its Board of Trustees and dedicated librarian, Delores Hansen, has tried to serve the needs as well as the wishes of the Bradford community. We enjoyed a successful July book and bake sale; our sponsorship of the "Little Red Wagon" brought pleasure to many. In September we hosted the history committee and shared in its joy with the publication of "Two Hundred Plus." Mrs. Hansen has regularly read to the kindergarten; Grades 1 through 3 visit the library on a scheduled basis. They are exposed to the wonder and the magic of the printed page, over and over again.

The trustees and the librarian have attended library meetings of various kinds throughout the state, to the advantage of us all. We are grateful that our circulation shows a decided increase over the previous year. We have added, along with many other volumes, the 1976 edition of the World Book Encyclopedia. Many of you reading this report made donations to our library; we are deeply grateful. We thank Miss Rita Witham who has graciously helped above and beyond normal standards of service — each of us is in her debt as well. Externally, we have new steps and a new walk.

We are surrounded by books of all kinds, shapes, colors and sizes. Books that inform, instruct, inspire and entertain. In a very real way, your library contains a world that is as wide as the globe, and as high and deep as the imagination and aspirations of mankind. In an era of instant TV communication, there are still those basic needs of reflection, study and consideration. Your library is an intellectual home and a spiritual haven. It serves you, the public. Visit us soon and often . . .

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three-year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of state and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

REPORT OF BRADFORD

FIRE DEPARTMENT

Chimney Fires	6	Brush Fires	5
Car Fires	1	Others	9
House Fires	7	Meetings	12
Mutual Aid	11		

It has been a very costly year in property lost to fires this year. Late discovery and long distances for the department to travel resulted in total losses on several calls.

As the population increases so does the number of calls. There is about a 10% increase over last year.

The total for this year was 51 which includes training meetings. From our records, this represents about 1,400 man hours, which if paid at a rate of \$3 an hour would be \$4,200. This is not paid, of course, but a portion of the cost is there as many of the men are self-employed and while away from their work their pay stops. In other cases employers have paid their employee while away, with the result they pay for many non-productive hours.

Last year the department asked for \$900 to make repairs to the station but before it was started it was found that there was more of a problem than anticipated. One of the pumpers broke through the thin cement floor. Therefore this money was not spent. This year by a separate Article money is being asked to break up the old cement floor, fill in, put in a drain, new footing, wall and sill on the east side, then replace the floor. We also hope to get a fire detection system installed. It would be a staggering loss to lose the equipment the department has to a fire.

Some might be wondering about the little station that was build this fall. The labor was volunteer. The lumber and the roofing were all donated.

The department cannot prevent fires, all it can do is bring them under control but you can. Check your electrical and heating equipment. Smoke and heat detectors are recommended. They may not save your home, but they could save your life.

ROBERT A. MOORE
Chief

As of July 5, 1976, the Police Department was able to get a full-time secretary, through the Merrimack County Department of Employment and Training.

Miss Cheryl Reen came to this Department to learn a trade for the future. As of March 31, 1977, Miss Reen will have to leave and move on to another position. Miss Reen worked for the department for nine months at which time her job entailed typing, filing, dispatching, answering the phone and taking reports from people coming into the station.

At this time I would like to publicly thank Lieutenant Richard MacLeod and Officer Joseph Battles for the total amount of 302 hours, donated of their own time when the specials money ran out in September.

Once again many thanks to those great women that went out in freezing rain, snow and just plain rotten weather to help the children of Bradford make it to school and home safely. Our School Crossing Guards are Flossie Jones, Patricia Steiz and Lillian Sejkousky.

THOMAS F. IVERSON JR.
Chief of Police

REPORT OF THE BRADFORD CONSERVATION COMMISSION

Several membership changes occurred during 1976. We were sorry to lose John Moore, Francis Brighton, George Harling and Eunice Marshall. These changes were due both to terms of office expiring and the demands of employment taking precedence. We shall miss them all as each contributed in his own way. As replacements, the following townspeople have joined us: Leonard Sargent, Mathilda Wheeler, Francis Page and Isobel Sheehan.

During the past year, groundwork has been laid for two projects which we hope to complete in the year ahead. This Commission plans to introduce interested residents and their guests to the Bradford Bog, which is located off East Washington Road. This is an area of some 40 acres which was donated to the Town of Bradford by the New England Wildflower Society, Inc. in 1971. Many species of wildflowers and shrubs may be found in this bog, and it is extremely productive for the bird watcher. Extensive work is planned to permit ready access to the bog land using land on the Skie property. We have already obtained written permission of Mr. Skie for clearing of foot paths and the erection of a sign. Both Girl and Boy Scouts will be recruited for this conservation work next spring. If interest warrants, this commission will arrange for conducted tours during the peak periods of blossoms in the bog.

Bradford's Boy Scout Troop #69, under the leadership of Robert Stewart and James Hansen, has already contributed valuable assistance in clearing Bicentennial Walk of brush and litter. This is a section of the old railroad bed extending between Church Street and Gillingham Drive. Future plans for this "walk" are underway with the guidance of a planner from Central New Hampshire Regional Planning Commission. An exercise course is being designed with several stations along the way with varying equipment installed. Each station will require the user to perform an exercise described in detail on mounted signs. These "Fitness Trails" are popular in many countries and areas appearing in New England states. Troop #69 will again function in the installing of these stations according to the design which will be ready in the spring.

A nature trail is also under discussion to be incorporated in this plan. This will serve as an attraction to those too young or not disposed to physical action on the adjoining Fitness Trail.

The recently published history of Bradford brings out all too clearly the stark appearance our Main Street presents today as compared to the past. With homeowners' permission, it is hoped that a shade tree planting program can soon get underway in order to erase these bare, unshaded areas along the Town's main thoroughfare.

Hiking trails, canoeing courses and other activities are future prospects to be encouraged for open space enjoyment and conservation objectives.

Respectfully submitted,

S. JAY GEORGE, Chairman

E. LAMMERT, Secretary

DOUGLASS SWEET, Treasurer

LEONARD SARGENT

REPORT OF THE BRADFORD PLANNING BOARD

During 1976 this board has approved 11 simple subdivisions and one major subdivision of 12 parcels. In connection with this major subdivision, a performance bond was required by your board from the developer because of needed road reconstruction to provide adequate access to the various tracts. This performance bond will free our Town of any financial burden should the developer fail, or be unable, to complete this access road to specifications. Previous to approval of this subdivision, several members of this board made an on-site inspection and determined that the road is a Class VI highway and not eligible for Town maintenance.

In order to circumvent questions of a road's status arising in relation to a subdivision application, future plans include a complete survey and the classification of all roads in this community. The designation given to each road will be made clearly visible on a Town map exclusively for this purpose.

Tax mapping is well underway with the aerial photography and ground control survey phase being completed and the manuscript scheduled for completion in 1977. This phase will be greatly aided by property owners submitting a sketch of their holdings, with measurements and abutters along the bounds, when requested by the planning board.

Your planning board will soon present a Land Use Proposal (Zoning) in order to implement present requirements of New Hampshire statutes. Without these minimum rules being adopted, there will be no base on which to build our master plan. The gradual but steady population growth makes such a plan an actual necessity. As an indication of your interest in the future development of our community, this board looks forward to a good attendance at the planned Land Use Hearings prior to Town Meeting, when this issue will come up for voter approval. These planned hearings will provide an opportunity to air your fears or doubts and to have a straightforward reply to your questions. Your views will certainly be welcome.

Operating expenses for 1976: bulk mail permit \$68.24, postage \$36.86, total \$105.10. Stationery supplies \$32.03, registry \$10.00 and mileage \$4.68, total \$46.71. Expense total \$151.81 income from subdivision applications for the year 1976 is \$370.00.

The election of James Bibbo Jr. as selectman in 1976 resulted in his replacing Robert Perron as an ex officio member. Mary Smith was appointed to fill James Bibbo Jr.'s regular membership vacancy. The resignation of Carl Cressy is anticipated as he expresses regret over not being free to attend meetings regularly. We shall miss Carl's valuable assistance.

Continued membership in the Central New Hampshire Regional Planning Commission is considered of high value to the efficient operation of this board. Much has been gained from our contacts with this agency during the past year and we ask voter approval to continue this membership.

Your Planning Board will be dedicated again in 1977 to working toward the betterment of community life in Bradford.

REPORT OF THE HEALTH OFFICER — 1976

During the year there have been 17 applications for approval for construction and 13 approvals for operation of septic systems registered with the New Hampshire Water Supply and Pollution Control Commission. This is indicative of the moderate growth that Bradford is undergoing in new construction. There were also several repairs to existing systems.

As we approach the phasing out of the present system of open burning at the dump, it is planned to grade and seed the face of the dump and to institute a rat eradication program to take effect when our new process is in operation.

Respectfully submitted,
JAMES V. BIBBO JR.
Health Officer

THE BRADFORD HISTORY AND BICENTENNIAL COMMITTEE

The publication of Bradford's history climaxes six years of research and writing for the history committee. On September 27, the date which marked the 189th anniversary of Bradford's incorporation, "Two Hundred Plus, Bradford in Retrospect" 1776-1976, was presented to the public at Brown Memorial Library. The trustees of the library hosted the publication party. More than 100 books were autographed by the committee and publishers, Phoenix Publishing of Canaan, N.H. Bradford's only book-length history, first commissioned by a Town Meeting 103 years earlier, was a reality.

The committee had estimated for budget purposes that the sale of books in 1976 would return \$7,500 to the town treasury. The sum of \$7,724 was actually turned over to the town treasurer for the 493 books sold at the end of 1976. This does not include money received for postage and handling. Fifteen hundred copies of the history came from the Concord bindery just three days before the publication date. Committee chairman Mildred Gunscheon and Elizabeth A. Cilley were named agents for their sale. The Sugar River Savings Bank in Warner made vault space available for their safe storage. Books may be purchased now at the town clerk's office for \$17.50, for mailing add \$1.

An application for a grant of \$1,000 from the American Bicentennial Commission was approved in Washington and accepted at the March Town Meeting. This was used to reduce the cost of publishing. In addition, an unexpected gift of \$5,000 was received from Austin E. Cofrin of Green Bay, Wisc., a Bradford native, now in his 94th year. Mr. Cofrin is owner of the Fort Howard Paper Company in Green Bay. The Warrant for the 1977 Town Meeting will ask the town to accept this gift.

Financial Report of the Bradford History January 1 to December 31, 1976

Receipts:

Bicentennial Grant	\$ 1,000.00
Austin E. Cofrin gift	5,000.00
Trust Funds	2,911.36
Book sales	7,724.00
Postage	179.50

Total Receipts	\$16,814.86
----------------	-------------

Payments:

To publishers	\$20,827.94
For postage	78.50

Total cost	\$20,906.44
Receipts	16,814.86

Balance due town	\$ 4,091.58
Estimate of sales in 1977	3,500.00

Estimate due Town at end of 1977	\$ 591.58
----------------------------------	-----------

The acceptance of the committee's proposal to publish at the March 1976 town meeting, cleared the way for the spring and summer work of proofreading, typing, choosing and captioning pictures and finally preparing the index of names.

Photographs and information about our town arranged by the committee have been on display at the Bradford City Art Gallery in Bradford, England. This material is to be used in a book to be published there about all the Bradfords of the world. Brochures of our history have been sent to every Bradford in the United States, all 12 of them.

A bookcase to hold the bound town reports was made and given by Carroll Butman. The valuable collection of old pictures of Bradford owned by the late Laura Hoyt Sanborn was made part of the committee's collection.

An original 1809 map of the Town of Bradford drawn by Stephen Hoyt Jr. was the gift of Chester Wright, Blaisdell Lake. A reproduction of this appears on page 12 of the history.

The committee enjoyed two days of pure pleasure. In midsummer they drove to Littleton and saw pages of the history come off the press at the Courier Printing Company. The trip took in both Franconia and Crawford Notches. On a fall afternoon they were invited by the Ainslies for a boat trip along the shores of Lake Massasecum.

The Bicentennial year was marked by the revival of traditional patriotic exercises as townspeople joined the school children in a program at the school and a march to both the Church and Pleasant Hill Cemeteries to decorate soldiers' graves. The procession was led by the drum and bugle corps of the Kearsarge Regional High School, S. Jay George, William Tonks, a veteran of World War I and Robert Stewart, Navy Rtd. Tributes were offered at the Unknown Soldier's Monument at Pleasant Hill, at the honor roll memorial at the Town Hall and our Navy dead at Butman Pond.

A gala parade was held on Saturday, July 3, sponsored by the Fire Department and Rescue Squad as part of their annual Fourth of July bazaar and fireworks. The Bicentennial Sunday was observed with a Bradford-South Newbury Parish worship service in the First Baptist Church and a picnic on the Common at the Congregational Society Meetinghouse, Bradford Center. The churches joined the nation's bell-ringing at two o'clock that afternoon.

On July 24, a Quilt Exhibit had every wall and table spread with some 90 quilts, old and new. The Rail Fence pattern quilt in red, white and blue, made by the committee, was won that day by a summer resident and the proceeds added to the committee funds.

In August, many new pictures were added for the presentation in the church of pictures of "Bradford — Past and Present." Members of Silver Hill Chapter, Order of Eastern Star served an old-fashioned supper the same evening.

The bed of the railroad between Church Lane and Gillingham Drive was cleared by the Boy Scout troop. An attractive sign designated it "Bicentennial Walk."

The Conservation Commission marked an area adjacent to the East Washington Road with an appropriate sign, "The Bradford Bog."

Fall foliage was brilliant when the historical marker was erected on the Common at Bradford Center. This climaxed more than two years of

negotiation with the New Hampshire Historical Commission. It commemorates the "centering" of the Town, its first meetinghouse and school and the Town pound. This was funded by gifts in memory of Louise Beachly Wolfe, who for more than 20 years was treasurer of the Congregational Society. Dedication is planned next summer.

We appreciate the cooperation the townspeople have given us in researching and writing of the history. Also the help of the Board of Selectmen who have provided us with a meeting room and storage for our files. The letters and words of appreciation we have received since the book was published have been rewarding. The reviews of the history in the Concord Monitor, the Sunday News, The Argus-Champion and others have been most gratifying. And finally, we sincerely acknowledge the skill and artistry of our publishers, Adrian Paradis and A. L. Morris of Phoenix Publishing who "put it all together."

The committee feels a responsibility for putting in order its files now that the writing is finished. They plan to accomplish this although it has been delayed by the illness of our chairman.

At some point in time this year's publication will need a sequel. To make its writing a simpler task, it is important that a group concerned with preserving records of happenings of the town and its people becomes a permanent tradition.

Each one of the committee feels privileged to have had a part in compiling the story of our town. Three are native to New Hampshire, one from Vermont, one from Massachusetts, one from Connecticut and one from Ohio.

KEARSARGE VISITING NURSE ASSOCIATION ANNUAL REPORT

The Kearsarge Visiting Nurse Assn. services during 1976 have expanded considerably and such services have been especially beneficial to the Town of Bradford. Five Well Child Clinics were held for your town as well as the first dental clinic of the agency. Kearsarge Regional High School was the site of the largest preventive Immunization Clinic for high school students in the state. We all recall the recent Swine Flu Inoculation effort.

Figures for the end of December 1976 show a total number of disease control, (i.e. skilled nursing care which includes care of catheters, colostomies, dressings, blood pressure check, injections, etc.) in your town to be 221 to compare with 27 such visits at the close of 1975. Disease intervention, (i.e. visits which include preventive testing, health guidance and support, counseling, teaching), all at no charge to the patient, total 91 and that compares to 22 total at the end of 1975. Homemaker visits, physical therapy, speech therapy and occupational therapy add even more to your town's benefits.

The Finance Committee has decided upon the necessity to set the appropriation at \$1.50 as compared to \$1.25 for 1976. However, you will note that your percentage of participation remains the same. This is the first increase since KVNA's inception in 1970.

Consequently, the amount asked from Bradford is calculated on your population of 930 (June 30, 1976) and totals \$1,395.00.

Bradford makes up an integral portion of the Kearsarge Visiting Nurse Assn. We are pleased to be able to serve your community and project a continued expansion of services to all participating towns. For this progress we need your continued interest and support.

Sincerely yours.
JANE HEALD
Administrator

Bradford representatives are Mr. Donald Garman and Mrs. Richard Bardof.

KEARSARGE VALLEY

COMMUNITY ACTION PROGRAM

Since 1973, the Kearsarge Valley Community Action Program has brought needed social services to area towns, including Bradford, through a staff dedicated to providing convenient and comprehensive assistance to low-income and other needy persons. In addition to this help, it has been our aim to promote and encourage self-sufficiency.

The Neighborhood Center in Warner, funded largely by local tax dollars from the eight towns in our catchment area, provides a base for the delivery of services to outlying towns. In 1976, an outreach office was established in Bradford. Every Wednesday, VISTA volunteer Stephanie Brown is on hand at the Town Hall to offer assistance and information about our programs.

Through this outreach office, we have been able to bring help, which might otherwise have been unavailable, to low-income families and senior citizens. Sometimes the help comes in the form of shopping assistance, Meals on Wheels, counseling, cutting through the red tape of social security applications, or often, merely companionship.

Though the Community Action Program is primarily designed to address the needs of low-income and senior citizens, we are nevertheless a community-based organization and depend upon local interest and involvement to continue effectively. In an effort to stimulate local input, the Center Advisory Committee was established this year. Mrs. Ruth Page and Mrs. Tillie Wheeler have been helpful in planning and determining policy, based upon the needs of Bradford.

During 1976, Bradford residents have participated in the following programs: Winterization, Emergency Fuel Loan, Head Start, Food Stamp certification, Summer Youth Work Experience, Summer Recreation, Senior Congregate Meal Site, Adult and Well-Child Clinics, Employment Assistance, Rent a Kid, Housing Assistance, Operation Green Thumb, Transportation and Meals on Wheels.

Through these and other projects now being planned, local residents are able to find new alternatives and opportunities, which might otherwise have been unavailable or unknown to them.

On behalf of the Kearsarge Valley CAP center staff, I would like to extend our thanks to the residents and town officials of Bradford, whose generous help and backing have made much of our work possible. Thank you very much.

Sincerely,
ELIZABETH BIBB
Kearsarge Valley CAP
Area Director

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

At the end of 1976 and six years of operation, the Central New Hampshire Regional Planning Commission had completed several studies of a regional as well as a local assistance nature.

During 1976 the commission completed the following studies: an historic preservation report listing significant historic sites by community, a community facilities inventory for each community, a study outlining the impact of institutional tax exempt properties within each community. Currently the commission is preparing a future land use study, a housing needs update study and an economic base study, all from a regional perspective.

During the early part of the year, the commission delivered to the Town a set of photographic enlargements which were requested by the selectmen and which serve as a base for the Town tax map.

During September and October of 1976 the commission co-sponsored a series of seminars dealing with the legal aspects of planning. Several officials from Bradford attended and the entire series received favorable comment.

In addition, the commission responded to several inquiries from the selectmen and planning board on matters related to state laws and local regulations. The commission is also assisting the Conservation Commission with one of their local activities.

The commission hopes to be able to continue to serve the needs of its member communities in future years and greatly appreciates the past support of its activities by the Town of Bradford.

Respectfully submitted,
JAMES V. BIBBO JR.
